

MREC 10 resistors are similar but slightly simpler built than our **MResist Supreme** resistors. In fact, the **MREC 10** series is to close the gap between ordinary 10W MOX resistors and our noble 20W **MResist SUPREME** series. However, **MREC 10** resistors share the essential features of the advanced **SUPREME** series (on page 53 of our catalog), except the expensive bifilar winding.

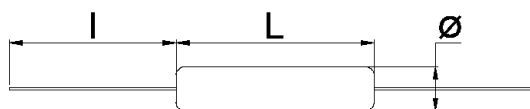

MREC 10

High-load resistors 10 Watt

Ohm [Ω] ± 2%	[€]
0,10	5,99
0,22	5,99
0,33	5,99
0,47	5,99
0,68	5,99
1	5,99
1,2	5,99
1,5	5,99
1,8	5,99
2,2	5,99
2,7	5,99
3,3	5,99
3,9	5,99
4,7	5,99
5,6	5,99
6,8	5,99
8,2	5,99
10	5,99
12	5,99
15	5,99
18	5,99
22	5,99

Technical specifications:

50ppm/°C
1000 VAC
275°C / 527°F
Non-magnetic

Type	Length [mm]	Ø [mm]	Wire l x Ø [mm]
MREC10	45,5	10,3	38 x 0,8
